HATTERY FAMILY

Allen County Public Library
Ft. Wayne, Indiana

From BIOGRAPHICAL HISTORY OF VAN WERT COUNTY, OHIO, of 1896

Received from Russell Hattery of Celina, Ohio

Elizabeth Hattery, widow of Josiah Hattery, late of Pleasant township, Van Wert County, was born in Columbiana County, Ohio, April 27, 1822, a daughter of Joseph and Anna (Montgomery) Ritter. The father was a native of Pennsylvania, born in 1787, of Dutch parentage. He was educated in his native state and in early life learned the trade of millwright, and subsequently owned and operated a mill. About the year 1812 he married Anna Montgomery, daughter of James and Anna (Brady) Montgomery. To their union was born the following children: Martha, deceased wife of Ezekiah Bennett; Elizabeth, of this mention; John, deceased; Sarah, widow of James Hoghe; Joseph, deceased. The mother of these children died in 1854 and the father in about 1884.

Elizabeth Hattery, subject of this memoir, was reared on a farm, and received a limited education in the common schools of her early days, and in 1841 was united in marriage to Josiah Hattery; to them were born the following children; Martha, wife of Jacob Mohr of Hoaglin Township; Joseph S., of Waterloo, Iowa; Mary, now at home with her mother; Dr. John E., of Celina; Ester E., widow of John Montgomery; Thomas of Dubuque, Iowa.

Josiah Hattery, the husband and father, was born in Virginia, in 1821, the son of Andrew and Rachael (Smith) Hattery, of old Virginia stock. When a boy, Mr. Hattery came with his parents to Carroll County, Ohio, in wagons, by an overland route, and here was educated in the common school, and in early manhood learned the trade of cabinet-making. For three years following his marriage he lived in Carroll County, where he followed his trade. In 1844, he moved to Van Wert, then a small village, and soon established himself as the first cabinet-maker of the town, and there carried on the business for a number of years, until failing health compelled him to abandon his trade and adopt farming as the means of a livelihood. About 1854, he purchased the farm on which his family now resides, then a strip of wild woodland. This he proceeded to clear and improve, and from that time until his death he was associated with the agricultural interests of the county, in addition to which he was a contractor and builder, and many of the better buildings of his home community are monuments of his handwork. Mr. Hattery was one of the progressive and enterprising men of his day, a thorough agriculturist, and one in whom the confidence of the people was never betrayed. Politically he espoused the cause of the Republican party and was a staunch supporter of the principles he advocated. He took an active interest in the welfare of the community in which he lived, and no enterprise that was for the good of the community or county at large passed by him without his endorsement and support. He was a skilled workman and was quite successful in all his pursuits in life, upright and honorable in all his dealings with men, and the respect and esteem of all who knew him. His death occurred January 27, 1880, and in his death, a kind and indulgent father and husband was taken away, as well as a good citizen. He and his wife were worthy members of the Presbyterian church. Mrs. Hattery still resides upon the old home farm with her daughters, having passed the allotted period of three score and ten, and with complacency looks back upon a long and useful life.

Our earliest contact with the Hattery family is found in Cecil County, Maryland - a place called Earlvilla. In the records of St. Stephens Protestant Episcopal Church in Earlvilla are the following birth records.

In volume 1, page 37 - James Hatrey, son of Henry Hatrey (4-1) and Christian his wife, born 16 December 1709.

In volume 1, page 37 - Mary Hattery (5-2) daughter of Thomas Hattery (4-2) and Sarah, his wife, born 10 December 1714.

It is quite logical to assume that Henry Hatrey (4-1) and Thomas Hattery (4-2) were brothers. You will note the difference in spelling. It was copied as found but even in the same document will be found several spelling variations. In later generations it has become Hattery but pronounced as if spelled "Hatry".

In Pennsylvania Archives 3rd Series, volume 24, page 435 under Warrantees of Land, Lancaster County 1733-1896 we find:

William Hatry	25 acres	15 March 1750
Henry Hatry	50 acres	15 March 1750

This Henry Hatry could be Henry (4-1) mentioned in St. Stephens records and William Hatry could be another brother or their could be no connection. Neither would be young. Land records in Maryland were searched but no further mention of either Henry (4-1) or Thomas (4-2) was found. James (5-1) the son of Henry (4-1) is recorded as still in Cecil county when his will was filed. It can be found in Liber 30, Folio 336 in Annapolis Hall of Records and reads as follows:

"In the name of God Amen, this sixth day of May 1757, I, James Hatry (5-1) of Cecil County and Providence of Maryland being very sick and weak in the body but of sound mind and memory, thanks be to God for the same, I do therefore make and ordain this my last will and Testament in manner and form following. First I give and recommend my soul to God that gave it me and my body to be decently buried at the discretion of my Executrix. As to my worldly goods I give and dispose as follows: Imprimis I give and bequeath unto my daughter, Susanna (6-3) the sum of twenty shillings current money and no more - I likewise give and bequeath to my daughter Mary (6-4), the sum of twenty shillings current money and no more. I likewise give and bequeath to my daughter, Rebecca (6-5) the sum of twenty shillings current money and no more. I likewise give and bequeath to my daughter, Elizabeth (6-6), when she comes of age, the sum of twenty shillings current money and no more. I likewise give and bequeath to my daughter, Ann (6-7) when she comes to age the sum of twenty shillings current money and no more - Item, I give and bequeath to my beloved wife, her riding mare called Fany with her saddle and bridle and also my best feather bed and furniture as a Legacy. As to the remainder of my Estate, my just debts being paid, I give and bequeath one-third part thereof to my beloved wife and one third part to my son Joseph (6-1) and one third part to my son Thomas (6-2). I likewise leave said Sons to the care and management of my wife, Anna. Lastly I appoint constitute and ordain my wife, Anna, Executrix of this my last will and Testament hereby revoking all other wills by me made. Ratifying and confirming this in Testimony whereof I have hereunto set my hand the day of year aforesaid.

James Hatry

(Will probated 13 June 1

How many of the family, after the death of James Hattery, moved across the water into the state of Delaware is not known. Records of Joseph, Thomas and Susannah were found in New Castle County, Delaware and it seems reasonable to think that they probably moved as a family.

The Delaware Archives page 313 lists Thomas Hatrey as discharged from Capt. Enoch Anderson's Company in the Delaware Regiment on 10 Feb. 1777. On page 553 Thomas Hatrey is in a list of soldiers recruited by Enoch Anderson, Capt. On page 998 we learn that Thomas Hattery signed the Oath of Allegiance on 17 August 1778.

The New Castle County, Delaware Probate records show that Letters of Administration on the estate of Susannah Hattery (6-3) were granted to Enos Howell on 25 January 1815. The estate was settled 7 March 1816.

In the records of Inmanuel Episcopal Church in New Castle, Delaware, is recorded the marriage of Joseph Hattery (6-1) and Hester Dushane on 10 January 1764.

In the same records is recorded the birth of a son, James (7-1), to Joseph and Hester (Dushane) Hattery on 14 November 1765.

In the will of Rachel (---) (Dushane) Cazier in New Castle County, Will book L - 1 - 146 Probated 23 March 1779 we read: (The will undated) Being sick and weak in body but of sound and perfect mind and memory she disposes of her worldly estate as follows:

To son Andrew Dushane ----- L 150.

To daughter Hester Hattery - L 100.

To daughter Rachel McCantire L 150.

To daughter Lydia Eliason - L 50, and L 150 to be paid to her children when they arrive of age to receive it and meanwhile the interest to go to their support.

To my daughter Susannah Cazier --- L 150.

I give and bequeath the residue and remainder of my estate to Joseph Hattery's (6-1) children namely James (7-1), Andrew (7-2), Thomas (7-3), Lydia (7-4), and Rachel (7-5) to be equally divided among them and to be paid as they arrive of age to receive it and the interest to go yearly to their support.

Jacob Cazier sole executor.

Administration "memo" - Rachel Cazier, widow late of Pencader Hundred.

where
The 1790 census of Bedford County, Pennsylvania shows Joseph Hatrey (6-1) with three males over sixteen - three males under sixteen and two females. It appears that either Hester has died or perhaps one daughter has married but we have little chance of learning her name.

The 1800 census of Somerset County, Penn. shows Joseph Hattery (6-1) with one male sixteen to twenty-six and one male forty-five and up, probably himself and son Thomas (7-3). Hester must be dead. Somerset was made from part of Bedford County in 1795 and it is quite likely that Joseph (6-1) was in the Somerset section in 1790.

The 1800 census of Somerset County also lists James Hattery (7-1) with three males to ten years - one male twenty-six to forty-five (we know James was born 1765 so he would be thirty-five years) - one female twenty-six to forty-five (his wife Margaret).

And Andrew Hattery (7-2) with one male to ten years - one male twenty-six to forty-five - two females sixteen to twentysix and one female forty-five and up (probably one female is a hired helper).

The 1810 census of Somerset County lists James Hattery (7-1) with one male to ten years - four males ten to sixteen - one male twenty-six and forty-five (he would be just forty-five) - two females to ten and one female twenty-six to forty-five.

The 1810 census lists Andrew Hattery (7-2) with four males to ten years - one male ten to sixteen - one male twenty-six to forty-five - one female to ten and one female twenty-six to forty-five.

The 1810 census lists Thomas Hattery (7-3) with one male twenty-six to forty-five and one female twenty-six to forty-five - It appears that Thomas got married and Joseph probably died as he is not listed.

In 1816 Andrew Hattery and his wife Rachel (Smith) Hattery sold a farm and probably moved to Brooke County, Virginia as our next record of them is there.

On 11 May 1818 James Hattery (7-1) and Margaret Hattery his wife then living in Tuscarawas County, Ohio, sold a farm in Somerset County to Joseph Hancock of the said Somerset County.

No Hatterys were found in the 1820 census of Somerset County, Penna.

James Hattery (7-1) married Margaret Hunter in 1793 - They migrated to Tuscarawas County, Ohio, in 1814. They came in a covered wagon and settled on a farm near Sugar Creek, Ohio. They lived there until they died and were buried in a family plot on the farm. Their children were:

- 8-1 - Charles Hattery born 15 Sept. 1794
- 8-2 - Andrew Hattery born 25 Sept. 1796
- 8-3 - Joseph Hattery born 4 Aug. 1798
- 8-4 - Alexander Hattery born 30 Dec. 1800
- 8-5 - Margaret (Peggy) Hattery born 1 Dec. 1802
- 8-6 - Abel Hattery born 10 Oct. 1804
- 8-7 Thomas Hattery born 16 Sept. 1806
- 8-8 Mary Hattery born 17 July 1808
- 8-9 - James Hattery born 6 March 1811
- 8-10 - Ephraim Hattery born 13 Jan. 1814

Andrew Hattery (7-2) married Rachel Smith probably in Somerset County. At least he lived there after he married and it is likely that he married a local girl. In a History of Northwest Ohio found by Millicent Skaggs in the Mesa, Arizona, Genealogical Library is the following data: He lived in Brooke County, Virginia and the names of two sons, Josiah and Nathaniel. Later we turned up additional data on Andrew (7-2). Five males beside himself were listed in Andrew's family in the 1810 census of Somerset County, Penna. He probably moved to Brooke County after selling his farm in Somerset in 1816. The children of Andrew and Rachel were:

- 8-11 - James Hattery
- 8-12 - Eaton Hattery
- 8-13 - John Hattery
- 8-14 - Joseph Hattery
- 8-15 - Andrew Hattery
- 8-16 - Thomas Hattery
- 8-17 - Edward Hattery
- 8-18 - Josiah Hattery (born 1821 in Virginia. He died 27 Jan. 1880)
- 8-19 - Lydia Hattery (you will remember Andrew (7-2) had a sister Lydia)
- 8-20 - Rachel Hattery (and also a sister Rachel)
- 8-21 - Nathaniel Hattery Sr., born 1822 in Brooke County Va., Nathaniel died March 13, 1882)

No trace of Thomas (7-3) Hattery the youngest son of Joseph (6-1) except the Somerset census of 1810 - although we have a half dozen unplaced descendants of same Hattery. One claims to be born in Virginia and descended from a Thomas Hattery.

Andrew Hattery (8-2) the second child of James (7-1) and Margaret (Hunter) Hattery was born 25 September 1796a while the family still lived in Somerset County, Penna. He was nearly eighteen years of age when the family moved to Tuscarawas County, Ohio. James (7-1) gave part of his land to Ephraim (8-10) but kept the homestead which eventually became Andrew's (8-2). On 25 Nov. 1832 Andrew married Mary Ann Knisely born 21 Feb. 1803 to John Knisely, Jr. and his wife Mary (Wolfe) Knisely. Mary Ann died 21 Feb. 1845 and was buried in the family plot. Andrew died 31 March 1879. He was Justice of the Peace for many years. Andrew was a medium tall, slender man with red hair and wore a flowing beard. He was a highly respected man in the community. Andrew and Mary Ann had the following children:

- 9-1 - Emice Hattery born 2 March 1833 at 3 PM in the sign of the scorpion
- 9-2 - Esais Hattery born 23 Feb. 1835 at 55 minutes AM in the sign of the goat.
- 9-3 - Rufus Hattery born 11 Nov. 1836 at half past 5 o'clock AM.
- 9-4 - Jonas Hattery born 21 March 1839 at half past 9 o'clock AM
- 9-6 - Azariah Hattery born 23 March 1842 at half past 6 o'clock in the sign of the goat.

9-7 - A son dead born 20 Feb. 1845 at 11 AM.

The above birth records were found in Andrew's handwriting - the last entry read "Mary Ann K. Hattery died February 21st A.D. 1845 at 5 o'clock aged thirty-seven years

Both Andrew (8-2) and Mary Ann were buried in the family plot on the farm along with other relatives. In early 1949 before the farm went out of the family the remains of all buried there were removed to Union Hill Cemetery. Among them was Mary Jane Mierly, eldest child of Christian and Emice (9-1) Mierly. She was a young woman of twenty-one who had gone in 1878 to visit her grandfather and died while there. It is believed that John Knisely Jr., father of Mary Ann was buried there.

The will of Andrew Hattery (8-2) is in Administration book 6, page 29 in Tuscarawas County Courthouse at New Philadelphia. It was admitted to Probate 10 April 1879 and Letters of Administration given to Azariah Hattery with Esais, Rufus and Emiline as sureties; bond was set at \$6000.00 The executors were dismissed April 5, 1884.

Joseph Hattery (8-3) the third child of James and Margaret (Hunter) Hattery was born 4 Aug. 1798 in Somerset County, Penna. He died 1846. The name of his wife is not known. Their children were:

- 9-8 - Phebe Hattery born 1834
- 9-9 - Ephraim Hattery born 1836
- 9-10 - Rachel Hattery born 1837.
- 9-11 - Andrew Hattery born
- 9-12 - Polly Hattery born

The data on Joseph Hattery (8-3) is pieced together from estate and census records. In the Courthouse at New Philadelphia, Ohio in Will Book transcribed 1,2,3, page 288: Ephraim Hattery (8-10) was appointed Guardian in the estate of Joseph Hattery (Case #400 A dated Oct. 1846,) of Ephraim, Rachel, Andrew, Polly and Phoebe.

On page 205 in the 1850 census of York Twp. Tuscarawas County, Ohio Phoebe is sixteen years old - born in Ohio and living with Jacob (32) years and Barbara (32) Weldy (born in Ohio & Penna.)

On page 417 of same book is Rachel Hattery aged thirteen - born in Ohio living in Sugar Creek Twp. with Benjamin (28 years) and Martha (24 years) Hochetetter - both born in Ohio.

On page 429 in the same book is Ephraim Hattery aged thirteen - birthplace unknown - living in Sugar Creek Twp with Jacob (30 years) and Mary 26 years) Shonk - born in Ohio and Penna.

Thomas Hattery (8-7) is the seventh child of James (7-1) and Margaret (Hunter) Hattery. He was born 16 Sept. 1806 in Somerset County, Penna. Thomas married Barbar -----; and died 1847 -50. Their children were:

- 9-13 - Amos Hattery born 1835
- 9-14 - Sophia Hattery born 1836 married Frank Gardner
- 9-15 - Elizabeth Hattery born 1837 married Jacob Weiss.
- 9-16 - Allen Hattery born 1838
- 9-17 - Alfred Hattery born 1840
- 9-18 - Aaron Hattery born 1842
- 9-19 - Ananias Hattery born 22 March 1847
- 9-20 - Abel Hattery - may have been born between 1842 and 1847 - his record is very vague.

In the Courthouse at New Philadelphia, Ohio, we found on Appearance Docket No.1, page 22, the case of Andrew Hattery (8-2) Guardian vs. Barbara Hattery now married to Henry Critzinger of said county, The text of the case said that Thomas Hattery died intestate leaving surviving "Barbara Hattery now married to Henry Critzinger and the children Amos, Sophia, Elizabeth, Allen, Alfred, Aaron Ananias and Abel".

The 1850 census of Sugar Creek Twp., Tuscarawas County, Ohio, on page 422 lists Barbara as 30 years of age and born in Penna. and John Critzinger as 25 years of age and born in Germany. All the children except Abel are listed in the household of Barbara.

Mary Hattery (8-) the eighth child of James (7-1) and Margaret (Hunter) Hattery was born 17 July 1808 in Somerset County, Penna. She married Silas Clark. They had:

- 9-21 - Alzira Clark who married ----- Haskins.

James Hattery (8-9) the tenth child of James (7-1) and Margaret (Hunter) Hattery was born 8 March 1811. We have no further information on this man.

Ephraim Hattery (8-10) the tenth child of James (7-1) and Margaret (Hunter) Hattery was born 13 Jan. 1814 probably in Somerset County, Penna. His family moved to Tuscarawas County, Ohio sometime in 1814. Ephraim died 23 Nov. 1899 and is buried in Union Hill Cemetery near Sugar Creek, Ohio. Ephraim married Mary Favre (Fevre, Faber) who was born 13 May 1821 and died 13 April 1878. The census of 1850 lists James Hattery (7-1) in the home of Ephraim (his son) - his age as 85 - he was blind - born in Delaware. They had these children:

- 9-22 - Isaiah Hattery born 30 Jan. 1838 in Tuscarawas County, Ohio; he died 13 April 1850 and is buried in Union Hill Cemetery.
- 9-23 - Dr. Hiram Douglas Hattery born 25 May 1845 in Tuscarawas County. Hiram married Isabelle Fox. Issue.
- 9-25 - Dr. Seth Hattery born 7 July 1849 in Tuscarawas County, Ohio and died 3 April 1940. On 22 Nov. 1882 Seth married Cora Woodling who was born 9 Sept. 1859 and died 29 Jan. 1937. Seth was a physician in Bolivar and later lived in Massillon Ohio. Seth and Cora celebrated their 50th anniversary in Massillon, Ohio in 1932. Both are buried in the Cemetery at Strasburg, Ohio.

9-26 Infant Hattery born in Tuscarawas County, Ohio - died 2 Feb. 1850.

On 29 Aug. 1882 she was married to Ira McGonigal - Flora was first buried in the family plot on the farm - This grave with others was removed to Union Hill Cemetery in 1949. All information on Ephraim (8-10) came from Euba Lingler (10-16) of Sugar Creek, Ohio

No data is available on the children of Andrew Hattery (7-2) except numbers 8-18 and 8-21 as follows:

8-18 Josiah Hattery, the eighth child of Andrew (7-2) and Rachel (Smith) Hattery was born 1821 in Brooke County, Virginia. Died 27 January 1880.
